### **WEBINAR ON THE NATIONAL SOCIAL SECURITY FUND (NSSF) HABA HABA PRODUCT FOR THE DIASPORA**

---

The National Social Security Fund (NSSF) has developed a savings product, known as Haba Haba that is intended for Kenyans in the Diaspora. The scheme allows members who sign up to save with a minimum of \$10 and have the option to withdraw 50% of their contribution, after consistently contributing for five years. It provides ease of access through partnerships with various banks and payments facilitated through mastercard. Potential members can join via the web portal <https://diaspora.nssfkenya.co.ke>

In addition, members of the scheme will be able to access available investments by the Fund that include future projects such as the opportunity to use their savings to invest in NSSF Housing Projects. The Fund further plans to develop retirement homes for senior citizens. These homes will be part of affordable housing projects designed specifically to cater for the needs of retirees.
